## *Trip Map*

# *Things to remember*

- Japan and Korea are both beautiful countries and we will be out in nature often. Please bring cotton and outfit for day and warm outfits for night. Consider layering rather than overpacking. Any dress, fancy shoes and formal outfits will be absolutely useless
- You can bring some of your favorite nuts and snacks but we will stop at the grocery stores and gas stations quite often so you will be able to get coffee and snack to refuel.
- We will be traveling one of the Asian countries. Security is very important. People don't speak English and we can read their signs. You need to stay with the group the whole time. Our itinerary may change for the benefit of the group at any point.
- If there are any questions or concerns, just talk to the leader (Maysa) to help you overcome the issue.

All breakfasts are included in the tour package but you will need to purchase your own lunch and dinner.

- Be ready to come and have fun. Traveling as a group is extremely fun yet can be challenging since there is no private bonding and people do not know each other's background.

Please be open to new experiences and people.

- Take pictures and record many memories. People travel for many personal reasons but often develop a strong friendship with their travel mates and end up sharing memories. So, keep each other's sweet or bitter memories to yourself and not others.
- Please message me on the What's app as needed or as you may have questions. I will be available to answer you.
- Please do not plan anything on your own or outside of the tour schedule unless you discuss that with the tour Leader and supervisor first. It's important to respect the tour's schedule and other people's time.
